¹ according to municipal website (2014)

Source: Kosovo Agency of Statistics, Census 2011

There is no information on the population by age groups, sex and ethnic background as well as the main source of livelihood.

1.3. Performance of local business sector

There is no reliable information on the number of businesses and employees, business entries and exits, the development of SMEs as well as businesses by sector, size and legal form.

The database of the Tax Administration of Kosovo (ATK), which includes enterprises that are paying taxes, does not comprise a sufficient number of businesses from this municipality to allow non-biased statements.

According to the OSCE Municipal Profile of Zveçan (2014), the economy is mainly based on the production of batteries and battery recycling as well as agriculture and small trade businesses.

Adult education

Table 2 Existence of vocational training services for adults

Fields / areas	Kind of vocational training for adults
ICT (information and communication technology)	n/a
Business and management	n/a
Engineering and technology	n/a
Construction (e.g. house-painter, bricklayer, plumber...)	n/a
Languages	n/a
Personality development and communication skills	n/a

Note: Vocational training for adults comprises all public and private vocational learning and training for adults after leaving initial education and training (initial education and training = formal education system, usually before entering working life). It includes work- and career-oriented learning (obtaining new qualifications, up-skilling or re-skilling for employment) but also learning for personal development.

The list of vocational training services is not exhaustive, since not all approached training providers presented information on their training courses.

n/a...There is no information on training opportunities in this field
